Education

Shivraj College **Gadhinglaj** Bachelor of Computer Application

Shivaji University Kolhapur

2021 - 2024

- Grade: 8.9

HSC

2020 - 2021

- Percentage: - 89.40%

SSC

2018 - 2019

- Percentage: - 84.60%

BCA

2021 - 2024

- Percentage: - 81.40%

Skills

- Java – Python - SQL – NumPy – Pandas – Matplotlib – Seaborn - Machine learning

Work Experience

Project-Based Learning Experience

2023 - Present

- Actively engaged in self-directed learning and project development.
- Developed practical skills in web development, programming languages, and database management.
- Implemented various projects, demonstrating hands-on expertise in different technologies.

Projects

Movie recommendation system :

- **Github :** [ML-Projects/SMS Spam Detector at main · Justin0824/ML-Projects · GitHub](#)
- **Objective:** Developed a recommendation engine to suggest movies.
- **Tech Stack:** Python, Pandas, NumPy, Scikit-learn, Matplotlib/Seaborn (for visualization), Streamlit (Frontend)
- **Algorithms:** Implemented collaborative filtering, content-based filtering, or a hybrid recommendation approach.

SMS/Email spam classifier :

- **Github :** [ML-Projects/Movie Rec at main · Justin0824/ML-Projects · GitHub](#)
- **Objective:** Built a classifier to detect spam messages in SMS or email communications, enhancing security and reducing unwanted content.
- **Tech Stack:** Python, Pandas, NumPy, Scikit-learn, NLTK, Matplotlib/Seaborn for data visualization , Streamlit(Frontend)

EXTRA COURSES

- C and C++
- Python By Google (Coursera)
- CCC
- Certified Data Scientist
